LEAH AMZALLAG

COMPUTER SCIENCE STUDENT

+972-5041-74022 leahguetta@gmail.com 631 Ihud Ha'am St., Or Akiva

Third-year Computer Science student at the Open University of Israel, seeking a student software development position in the medical device industry. Strong foundation in C and Java, with hands-on experience developing a modular assembler in C as part of a Systems Programming Laboratory. Analytical, detail-oriented, and committed to structured software development.

EDUCATION

B.Sc. in Computer Science
In Progress
Open University, Israel | 2024 - Present

Additional Education

2019 - 2020 | Bookkeeping and Payroll
Beit Yaakov Merkaz, Jerusalem
2018 - 2020 | Mathematics Teaching
Be'er Miriam, Hatzor HaGlilit
2018 | Academic Drawing
"Gallery" School of Drawing, Bnei Brak

TECHNICAL SKILLS

- Programming Languages: C, Java
- Operating Systems: Ubuntu Linux
- Databases: PostgreSQL
- Development Tools: CLion, IntelliJ IDEA, MARS Simulator
- Technical Knowledge: MIPS Assembly, modular programming, multi-file project organization
- Other Tools: Microsoft Office
- **Languages**: Hebrew and English (Professional)

WORK EXPERIENCE

2021-2024 | Bookkeeping and Payroll Processing
Lev Tesh'a Esreh Ltd., Safed
2025 | Private Drawing and Painting Instructor
2016-2018 | Volunteer, After-School Program
for Children with Special Needs
2017 | Private Tutor | Yad Eliezer Tutoring Project

ACADEMIC PROJECTS

Assembler Implementation | C Programming
Developed a modular, two-pass assembler in C, featuring macro preprocessing, symbol management, instruction encoding, and machine-code generation. Achieved a high grade.
